The Provost's Office is proud to present the first annual brochure highlighting faculty accomplishments. Our faculty's accomplishments are evidence that Florida Southern College is "On the Move" as our faculty attended and presented at international and national scholarly conferences. They published numerous scholarly books, articles, reviews and poems. They made presentations and worked with members of the Lakeland Community and other cities throughout Florida and the United States. Our faculty are heavily invested in the mentoring of Florida Southern students and the evidence of their involvement shines on the following pages.

Scholarly Publications

Our faculty members disseminate their research and scholarship on a wide variety of topics in books, journals, collections and anthologies.

Faculty members names are in **bold** while FSC Students are indicated with *

Presentations

The following pages contain information related to the off-campus presentations of our faculty members and FSC students. These presentations were at discipline-specific conferences as well as at schools, churches, and community and governmental agencies. The diverse audiences our faculty members talk with is a testament to their ability to communicate with a wide variety of individuals. Our faculty presented their work internationally, nationally and regionally.
