September 2019

Welcome to the first issue of the re-launched Roux News! Look for this newsletter each month for the upcoming events in the library, research tips, information on resources, and more.

### News

Our DVD collection has moved! You can now find DVDs on the second floor by the elevator. At the top of the stairs, turn right, then head toward the back.

Check out our new exhibit featuring the works of American expressionist Fay Peck. Born in 1931 in Chicago, IL, Peck created oil paintings, line drawings, screen prints, monotypes, and woodcuts, and her work was exhibited regularly in Chicago, New York, and Aspen. You can view nine vibrant works of Peck's on the first floor of the library next to the stairwell. More information and additional works can be found at [faypeck.com](http://faypeck.com)

## Upcoming Events

**Game Night.** This Friday, September 13 at 7:00 pm! Learn a new table top game, discover an old favorite, or bring one of your own to share! Bring your friends or come solo and meet other people who enjoy games as much as you do. This month we're featuring **Laser Tag** in the stacks! Sign up at <http://bit.ly/RouxLaser>. You may sign up with friends or join a team that still needs players. Snacks and drinks are provided!

**Tee Off at Roux Library.** Mini-golf in the library? Absolutely! Join a group or bring friends, and play through our nine-hole "course" up in the stacks. Obstacles will be fun, maybe even a little challenging, and we guarantee you'll have a great time. Throughout, you can pick up some swag and get information about all that Roux Library can do to make your job of 'studenting' easier. When you're done, unwind at the 10th hole with pizza and a cool drink. Starts Monday, September 23 at 2:00pm.
